

Variety - the Children's Charity

We believe ALL kids deserve a fair go!

Variety helps kids who are living with:

Illness

Disadvantage

Disability

by providing support through grants, experiences, programs and Variety Heart Scholarships.

Josiah was diagnosed with Down syndrome before birth and was born 2 months premature. He is mostly non-verbal, has hypotonia (low muscle tone) and was unable to take steps unassisted.

Thanks to supporters like you, Josiah was granted a Crocodile Walker which enabled him to be able to walk with assistance. The walker also helps Josiah with mobility and gives him more independence as he grows. Now, thanks to the daily use of his walker and in conjunction with his therapy, Josiah can take 5 steps unassisted and continues to gain strength in his core and body!

THANK YOU for helping to give kids like Josiah a fair go!
