

# DOLLAR MATCHING TEMPLATE

## **Letter to approach a company to dollar match donations**

To Whom It May Concern,

This year we have decided to raise money for Youth Insearch's Brighter Day supporting at-risk young people with peer led trauma recovery across Australia.

We are holding a Brighter Day event as we strive to bring light to the invisibility of youth suicide. The aim this year is to support Youth Insearch to fund more social and peer workers to enable more young people to attend our programs which in turn will assist in the reduction of youth suicide. We're going to raise funds for young people to triumph over their trauma.

Our goal is to raise as much funds as possible and we would love your help!

Event details:

**I was wondering if you would consider dollar matching the money I/we raise, so that together we can make a much bigger difference.**

You can visit [Youth Insearch Brighter Day](#) for more information on the campaign.

I would love to meet with you to tell you more about our event.

Thanks so much for your consideration.

Kind regards,
