

Christmas Appeal

Christmas Food and Hamper donations

Thank You for Supporting Coast Shelter's 2025 Christmas Appeal!

If you are able to donate complete Christmas food hampers, that's wonderful — it makes logistics much easier on our end. However, we understand that with the rising cost of living, this may not be feasible; therefore, we warmly welcome individual non-perishable items, which we will use to create hampers.

Donation Guidelines:

- Please place items in a **sturdy bag** to make it easier for our clients to carry.
- Deliver donations to **Coast Shelter, 346 Mann St, North Gosford.**
- Please ensure delivery by **Thursday 10th December.**
- If you are donating a **large number of hampers**, please call us to arrange collection.

When choosing items, please refer to the list below:

It has been created with our clients' needs in mind, with consideration to health and dental concerns, and limited food preparation options for those sleeping rough or in temporary accommodation.
