Thank you for supporting Coast Shelter's Christmas Appeal for 2024! Your donation may be the only gift received this year by Coasties who may otherwise go without.

Wishing you a safe and happy holiday season, from everyone at Coast Shelter.

A few things to consider...

- Please consider donating for young people (16-24) and adults (24+) as every year we are overwhelmed with toys and gifts for young children and the older age groups get forgotten
- Please ensure items being donated are brand new, unused, and left unwrapped
- Please consider donating gift vouchers, as this means a parent can still enjoy shopping for their child, or a young person can purchase something they truly want this Christmas
- Please donate all items as early as possible - November or early December to help ensure we get all food hampers delivered to the families by Christmas
- Please deliver gift cards or items to Coast Shelter (346 Mann St, Gosford) by December 9th at the latest. If you have a large amount of hampers, we are happy to come pick them up. Just call 4325 3540 to arrange

If you need any further information, contact Coast Shelter on 4325 3540
