VENTILATION &
COMMUNITY

No-one wants their child to be sick, it's miserable and disruptive. Join us to hear examples of action that's already being taken in some kiwi schools to protect health and make this winter different.

"We saw last winter what happened when children went to school with Covid – it took out a significant proportion of the teaching workforce, which then meant a lot of kids couldn't go to school"

– Prime Minister, Chris Hipkins, 11 April 2023
