

Hi Neighbour!

My name is

---

I'm volunteering as a doorknocker in our neighbourhood and collecting donations for the Salvos Red Shield Appeal this year.

I'll be knocking on your door on

---

between the hours of \_\_\_\_\_ and \_\_\_\_\_.

I'd be so grateful if you would donate to support the much-needed work of the Salvos.

I can accept cash and cheque donations, and I can also refer you to the official website to donate online if you have no cash.

**Together we can give fellow  
Australians a new beginning.**

Thanks so much - I'll be seeing you soon!
