ETHICAL TRAVEL

SIEM REAP, CAMBODIA | 2023

OVERVIEW

Join Human & Hope's founder Sally on a 7-day once-in-a-lifetime **ETHICAL ADVENTURE** that traverses all the must-see highlights of Siem Reap, Cambodia! You will be immersed in the Cambodian culture on this inspiring, ethical and socially responsible tour.

Cambodia has been building a reputation as one of Asia's most compelling destinations, thanks to the abundance of ancient temples, culture and religious treasures, as well as its impressive natural wonders! On this trip, we will explore Siem Reap, Angkor Archaeological Park, and even attend a Cambodian cooking class.

There will be excursions to local markets, a local weaving workshop and opportunities to purchase hand-woven textiles & baskets, jewellery and hand-made works.

Plus we will visit the school your fundraising efforts support and see firsthand the impact that Human and Hope Association (HHA) is making in the community. You will join the local team for dinner, giving you the opportunity to share stories, build connections and learn about the resilience and resourcefulness of the Khmer people.

Limited to 10 travellers, this is an opportunity not to be missed! Register now and reserve your place with a \$500 deposit.
