

Print and cut out as many bunting sheets as you need.

Hang your bunting somewhere eye-catching to decorate your **Myeloma UK Coffee Morning** event.

Use one of the stringing methods below.

Method 1:

Thread string between the fold. Glue or staple the flap down to enclose the string.

Method 2:

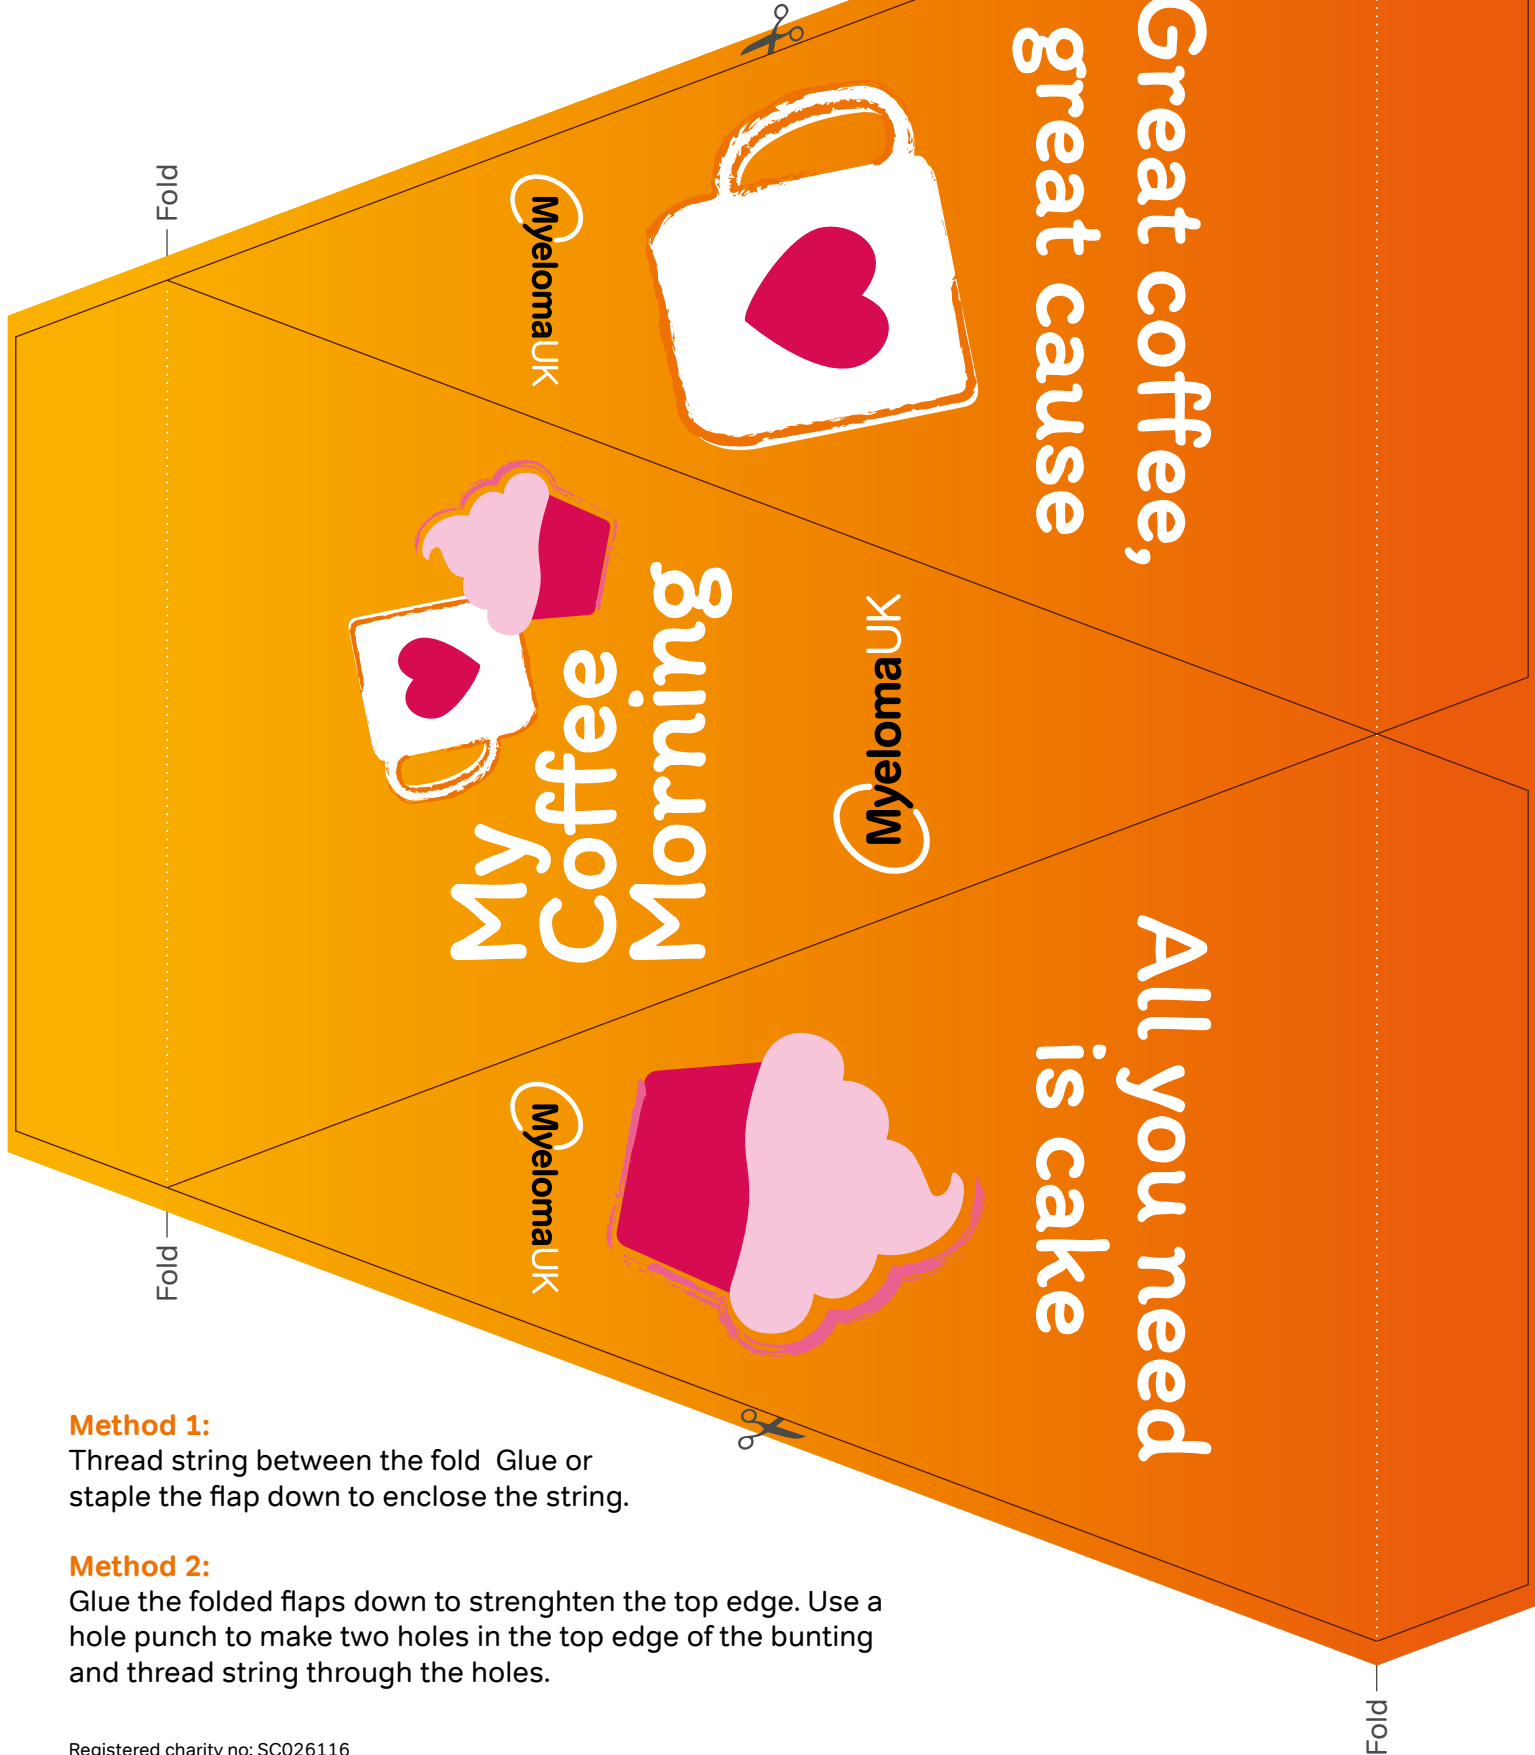

Glue the folded flaps down to strengthen the top edge. Use a hole punch to make two holes in the top edge of the bunting and thread string through the holes.
