

Every dollar you raise will help Ovarian Cancer Australia to provide personalised support and create better outcomes for people affected by ovarian cancer.

Getting started

Make sure your fundraising page is personalised. Add your own profile photo, share your reason for taking on the challenge and update your fundraising target.

Learn more about the cause! See why your fundraising is [so crucial](#)

Start a team and invite your friends or colleagues to join you in your fundraising.

Spread the word on social media and through your network.

Ready, set, fundraise

Donate to yourself and set the tone! Your friends and family will follow suit, so start off with a bang and donate \$50 to yourself.

Ask a family member or friend to donate \$50.

Ask your workmates for a donation and have a chat to HR - often times, workplaces love to get involved and can match your donations thus doubling your impact!

Share!!

Spread the word on Facebook, Twitter or Instagram. Make sure you share your fundraising page URL and QR code when you post, so people know where to donate!

Don't have social media? Send an email or SMS.
