

Meet five social justice champions from around the world this Lent.

Each week during Project Compassion, we will share a story of someone who has faced poverty and other challenges, but has made their life and the life of their community better by participating in a Caritas Australia supported program.

As you read their stories with your class, complete the Passport tasks each week and collect the stamp to show you have put compassion in action!

Don't forget to tell your friends and family about all the great things you hear and see in the stories of the people you meet during Project Compassion.

Every time you share your knowledge about how to make the world a fairer place or make a donation to Project Compassion, you are being a social justice champion!

To collect your weekly Project Compassion stamp you must complete the following tasks for each week:

- Fact Check: Log on the Project Compassion <u>Passport Hub</u> and collect your information for the Country Fact Check.
- 2. **Map:** Locate the feature country and label it on the map, as well as two other neighbouring countries.
- 3. Dollar Street: Dollar Street is a website that has photographs of families from all over the world. Have a look at the Dollar Street website and search for families that live in the feature country. Once you have selected the country, you can explore all of the different categories. https://www.gapminder.org/dollar-street/matrix Choose 1 category for that week (e.g. Most loved item; Most loved toys; Next things I plan to buy; Homes; Bedrooms; Play areas; etc.
