

# PROJECT COMPASSION

GO FURTHER TOGETHER

## WHAT YOUR DONATIONS CAN DO

**\$5,000**

Can buy a water tank to supply clean drinking water for a community with a Safe House, sheltering women and children experiencing gender-based violence in **Papua New Guinea**.

**\$1,000**

Can deliver business skills training to 10 women living with a disability, empowering them to become agents of change, creating positive improvements across their communities in **India**.

**\$700**

Can provide beekeeping training to over 200 young people, giving them a potential income source and a brighter future in **Malawi**.

**\$300**

Can train 100 farmers in "Climate Smart Agriculture", increasing their community's access to food and their ability to earn an income in **Malawi**.

**\$85**

Can provide an indigenous student with a uniform so that they can attend school without facing stigma in the **Philippines**.

**\$20**

Can provide a week's supply of food to a domestic violence survivor and her children who have fled to a Safe House in **Papua New Guinea**.

**\$1**

Can buy two notebooks for a child of a vulnerable farming family, so they can go to school in rural **Cambodia**.

\$14,000

\$12,000

\$10,000

\$8,000

\$6,000

\$4,000

\$2,000

**\$7,700**

Can provide a vulnerable community experiencing water and food scarcity with a borehole, providing them with access to water in **Malawi**.

**\$2,000**

Can enable a group of vulnerable men to attend a "train the trainer" Red Dust Healing workshop so that they are empowered to assist members of their communities in **Australia**.

**\$850**

Can pay the fees for one indigenous child to attend school for a year, building the foundation for a better future in the **Philippines**.

**\$500**

Can set up a rice bank to feed 40 hungry families in a community experiencing food shortages in **Cambodia**.

**\$150**

Can provide on-the-job training to Indigenous people so that they are able to become health care workers, helping to improve the wellbeing of their entire community in the **Philippines**.

**\$50**

Can buy 50 chicks for a small farming family, increasing their supply of food and ability to earn an income in **Cambodia**.

**\$5**

Can buy three packets of vegetable seeds for home gardening to increase nutrition and provide some income for a family living in rural **Cambodia**.
