

SMALL STEPS 4 HANNAH FOUNDATION

ADVOCATING

for legal and social change to HALT domestic and family violence across Australia.

EDUCATING

the community about coercive control, respectful behaviour and healthy relationships.

FUNDING

community projects to deliver awareness, engagement and support services.

SUPPORTING

members of the community experiencing family and domestic violence.

With your support we're making small steps towards a big impact...

\$650,000+ raised since the Foundation's creation.

75+ meetings with government officials in Australia to criminalise coercive control.

1 million+ Australian families reached through awareness

\$250,000+ awarded to DV support services in grants and funding.

10,000+ first responders trained in coercive control response.

3,000+ students engaged in HALT domestic violence awareness

200+ resources about coercive control consulted.

9 emergency accommodation townhouses for fleeing families.
